HOMER
CENTRAL
HIGH SCHOOL

Don't take yourself too seriously—
Just one day at a time.

Everyday's a precious gift
of time for us to use.

Hours waiting to be filled
in any way we choose

Each morning brings a quiet hope
that rises with the sun

Each evening brings the sweet content
that comes with work well done.

You're only as free as you make yourself
Your ties are only your own

You can draw your own string
Or else leave it loose,
Its your choice and only your own.

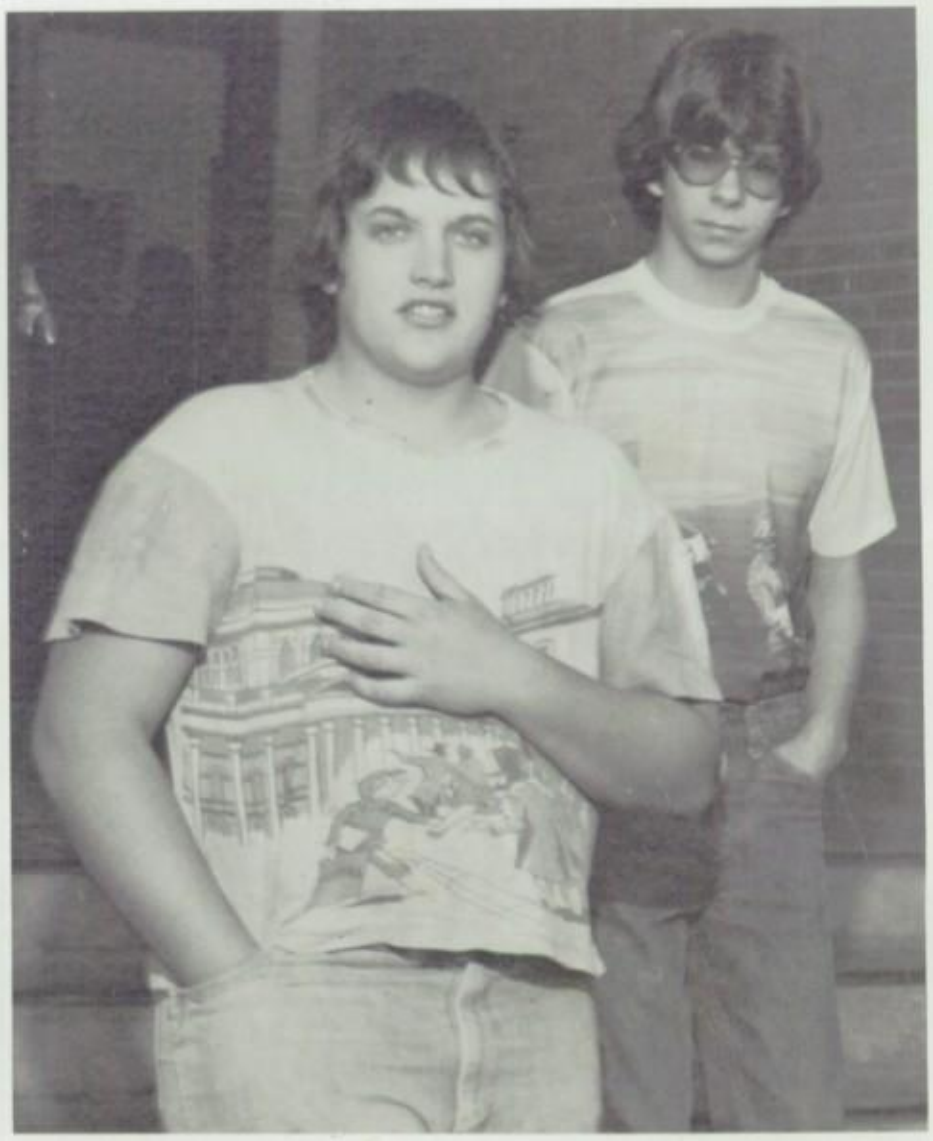
You can pick up your pack
and carry it well,
Or sit and complain of the load.

you can make
your times
hard

Or take life with style

But you must travel
your self-made road.

Life can be hard, there are ups and downs
Sure,

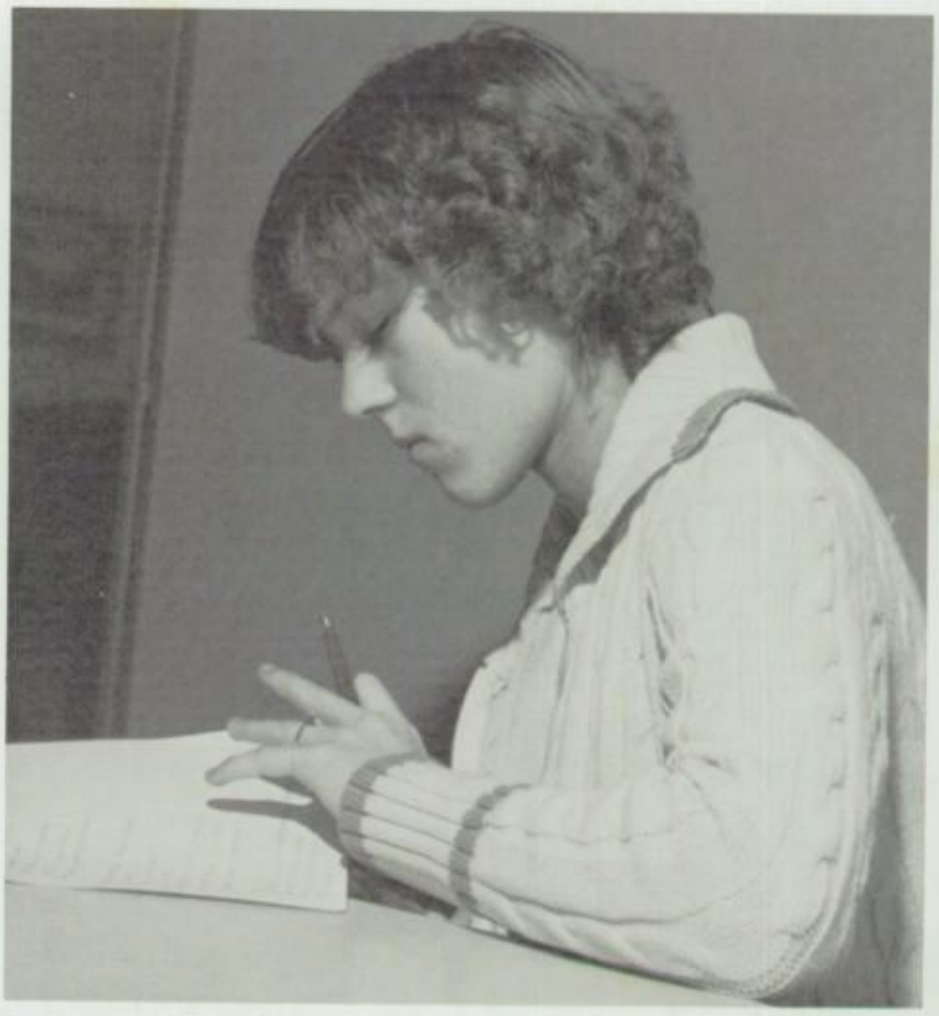


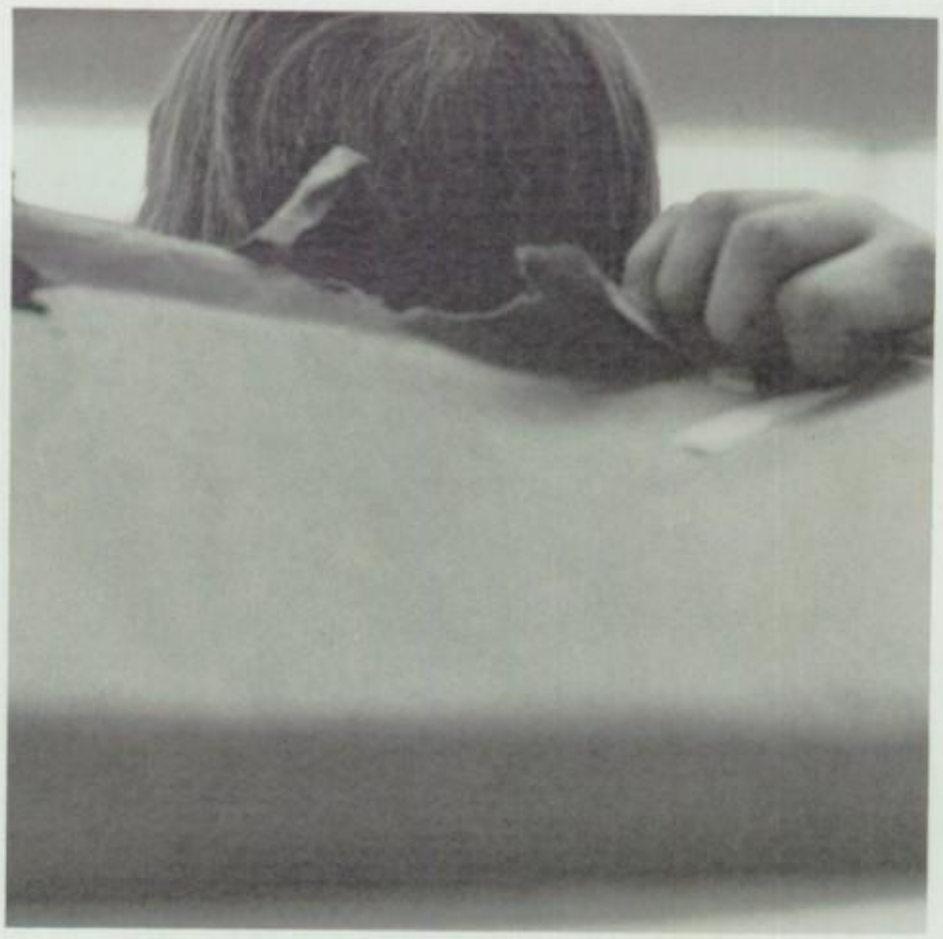
But there doesn't
always have to be.

Because you make
your own pains,

And bring your
own smiles.

Its only you who can set yourself free.





READING LOVE NOTES AGAIN?

NOW ISN'T THAT A NICE REFLECTION ON YOU?

RANDY, I CAN GET DRESSED BY MYSELF.

RUDY AND HIS HARUM.

Congratulations to the
Class of "77"
The organization that brings
you Florida citrus

Our class shall look to the future
with bright happy smiles
and creative new thoughts
But we shall remember the good times
and the many answers we sought
Now without the help of our
administrative staff,
we might never have learned a
simple skill or craft.
But at the same time, we shall
always remember, the corny
jokes and fun we made of each
member.
We will recall just now passing,
undone homework to class we'd bring.
We will be glad we were given that
one last chance
To get it together so our minds
we could enhance.
However, each of our memories
projects in our minds.
One thing is for sure,
our teachers will not be
far behind.

# Memories

Memories are made of things that happen
every day.
Moments as we live them, things we do
or say.

Little cuts and pieces of laughter mixed
with tears.
Paragraphs and pages written through
the years.

The friendships we remember, mistakes
that we regret.
The ending of a love we never could
forget.

We couldn't erase the sadness or edit
out the tears.
We can't undo the wrong, we can't
relive the years.

But since memories keep building
each day can be the start
Of making new and happy ones to
store within the heart.

Bill Beerman on the run!

MacIntire, M. Christofferson.

"Me tough like Baaal!!"

The 1976 Varsity Football team ended the season with a 5-2 record. Playing an independant schedule the Trojans competed against many large schools. Homer beat Newark, Fowler, Solvay, Fayetteville-Manlius, and Oneonta. Coach Norris felt that one of the toughest games this season was against Newark. Bill Beerman was named Herald—American Second-Team All-Stars. Marty Christofferson received Honorable Mention. Kevin Crosley did a good job at Quarterback, along with his kicking 26-28 extra points this season. Bill Masterson did an excellent job on the line, and in the Cortland game knocking guys, on their backs consistantly. Brent Riley was this years snapper, being outweighed by 30 or 40 lbs. by his opposition. Forming the backfield is Larry Avery one of the most dedicated players on the team, Bill Beerman who is a elusive runner, Joe Beerman who uses his quickness, and Doug Tesoriero who makes use of his speed. Next year Homer will be a member of the Onandaga County League, competing against schools comparable to those we competed against in the STAC. Coach Norris commented that this years team was a "outstanding group of young men to work with."

ROW 2: Lucy Acker, Molly Cahill, Laurie Evenden, Linda Brady, Sharon Crandall, Donna Grinell, Jackie O'Connell, Coach Barb Wood, Tammey Kinney.

"Got it!"

Although we don't have any pictures on the golf team, they did still compete. Rumor has it, that one of the Odyssey photographers went over to the country club to take pictures of our spirited Golf team in action, and was kicked out, so we don't have any pictures.

This years Varsity squad included Jon Wanish, Scott Tennant, Lawrence Beaudry, Kirk Purcell, Joe Basile and Kevin "WaWa" Waters.

Leading the Trojans was sophomore Jon Wanish who averaged 38 and placed tenth in the Stacs. second man was Scott Tennant who stroked along with an average of 40. Kirk Purcell rounded off the top 3 with a 41 average. There will be only one graduating senior, so next season should be a good one. The next Golf season may not be for a while because of Homer's changing leagues.

Jump shot

"Out let and fast break!"

The 1977 Trojan dribblers got off to a slow start, but began to pull it all together as the season progressed. The first half of the season was practically all away games, and the going got tough at times. But this did not show in the South Senaca game, where the Trojans controlled the boards, and defeated them handily.

Daryl Griswold and Kevin Crosley were named to the Fowler Tournament all-star team. Homer played in two tournaments early in the season and won the first games in each, but unable to win the championship of either. Revenging last seasons losses to Cortland, Homer slaughtered Cortland on their home floor in their first meeting this year. Midway through season the Trojan Defense began to put it all together and shut down their opponents.

Senior Steve Carloni was unable to play because of a broken bone in his lower arm. This hurt the team both offensively and defensively. Jim VanDeuson did an excellent job all season long dominating the borads, and playing defence well. Dayrl Griswold and Sean Caughey were the other starting forwards, along with Tim Dages, Wayne "Sheba" Harris and Mike Hartnett in reserve. Kevin Crosley and Dale Atkinson started in the back court. Other guards were Kevin Slack, Harold White and Jim Hauslein.

Coach Super in his second season at Homer has done a fine job of revamping the program. His style may seem a little flamboyant at times, but this serves as excellent motovation. But the most important thing is that he has molded an excellent '77 Varsity Basketball team. You can look for a steady improvement in the Basketball teams to come.

Dave Lundeen injured last season, opened the season with 8 consecutive wins and was STAC champion at 138. Bill Beerman at 177 was STAC Champion, and Sherburne Tournament Champion. Larry Avery and an excellent season winning his first 11 matches before a loss. Last year Bill Beerman and Larry Avery tied for "Mr. Pin", and midway through the 1977 season, they were very close having 12 and 14 pins respectively. Mark Zimmerman has beed third in many a tournament, this year finishing in the number three position at STAC, Windsor, and Sherburne. Dundee transfer, Bob Geer, has shown much improvement placing third at the STAC tournament. Junior Tim Maxson was STAC champion at super heavy weight. # BASEBALL

ROW 1: J. Baniak, P. Diamond, R. VanLiew, S. Carloni, K. Stine, ROW 2: Mr. Maloney, J. Healey, B. Wasley, J. St. John, R. Boll, K. Crosley, J. Beerman, M. MacNaughton, Coach Guido, S. Cowburn.

This is the first year in quite a while that coach Guido has had a lot of depth in his pitching staff. In addition there are many returning infielders. Steve Carloni will be playing third base, pitcher, and doing a little catching. Last years second team All-Stac second baseman, Kevin Crosly strengthened the infield more. Tiny Fitzgerld, who was brought up from the J.V.'s last season for two games, was a regular starter on the mound. Rick VanLiew who hit over 300 last year, was in center field. Dale Atkitson moved into the short stop position vacated by last years second team All-Stac short stop Kent Stine. One last comment made by coach Guido was "You don't know who will be playing where until you get out there in the spring!"

# TENNIS

Last years tennis team compiled a record of 10-6 behind the strong play of 1976 MVP John Abbott. Homer's Varsity was in a three way tie for first place, in Stac-west, until late in the season. This years team looks extremely promising with all 9 Varsity starters returning. Highlights of the season include the naming of Greg Leach and John Abbott to 2nd team All-Stac. In coach Reif's eye's, this years team could take 1st place honors in Stac-west.

ROW 1: P. Bartholomew, J. Mason, J. Abbott, K. Williams, D. Lerner, S. Tennant, ROW 2: D. Franklin, L. Avery, G. Leach, B. Seymour, K. Dieffenbach, R. Brewer, D. Greb, Coach Rief.

The softball team had a tough season this year, with all the new members & bad weather. Despite their problems they put up a good fight & had a good time too. "SCORE"

Behind last years strong play from the attack, the Big Blue Stickmen finished second in their division, with a 6-2 record. A plus for this years team is the return of last years entire defensive unit, lead by last years valuable defenseman, Chris Grant. In addition to the returning varsity players, there are many promising J.V.'s ready to move up. This year, coach Contento is hoping for better midfield play, along with rebuilding a strong attack. Mark Thames is the only returning attackman that saw a lot of action last year. Returning midfielders are seniors, Brent Riley, Jim Hauslein, Skip Timpano, Dave Lundeen and Junior Scott Turner.

Stu Rogers lowered his previous record in the mile, and placed fourth in the sectionals. A new school record in the 2-mile relay was set by Jeff Acker, Ted Steinhouser, Stu Rogers, and Phil Albro. Doug Reynolds, Daryl Griswald, Stu Roger, and Curt Harris teamed up to a new school record in the mile relay.

To be excitingly young
and totally free
would basically be happiness
to me.
But when we begin to show
Both mentally and physically grow
Our friends begin to range
Our lives take shape and
begin to change.
Take heart my friend, we all realize
Even those who don't admit it
surmise
That nothing will ever remain

Student Council revived itself this year under the excellent leadership of Beth Coburn. The first half of the year involved working on the traditional Student Council projects.

For the annual hall decorating contest each of the halls represented Christmas in different countries.

Student Council joined NYSSSSO, a statewide student organization, this year.

During the second half of the year, Student Council concentrated on improving the student government and the school itself. The Council also donated money to worthwhile causes.

Lorie Anderson—Tony Mantella

Homecoming week included a bonfire, car bash, pep rally and a float-building contest. The week climaxed with the crowning of Laurie Poole as the Homecoming Queen.

## ODYSSEY MEMORIES

Jim, who lives in Waterloo? . . . I'll be proud of myself later . . . Kathi, what's wrong with your eyes? . . . let's get movin' . . . Head honcho in her purple ski pants . . . Pammy Jane who? . . . Janice is still in Hoerger's window . . . How do you "bleed" a picture . . . another late deadline . . . cleaning lady . . . greenhorns . . . Nicholas Albert with the short hair and big ears . . . Pictures can't grow legs and walk off . . . Seminar in Syracuse—we'll get you back Rob!! . . . Where is Homer School, in Polliwog Junction? . . . c'mon Jim get busy . . . We're finally finished!! (a week late!) I can't find my pen!

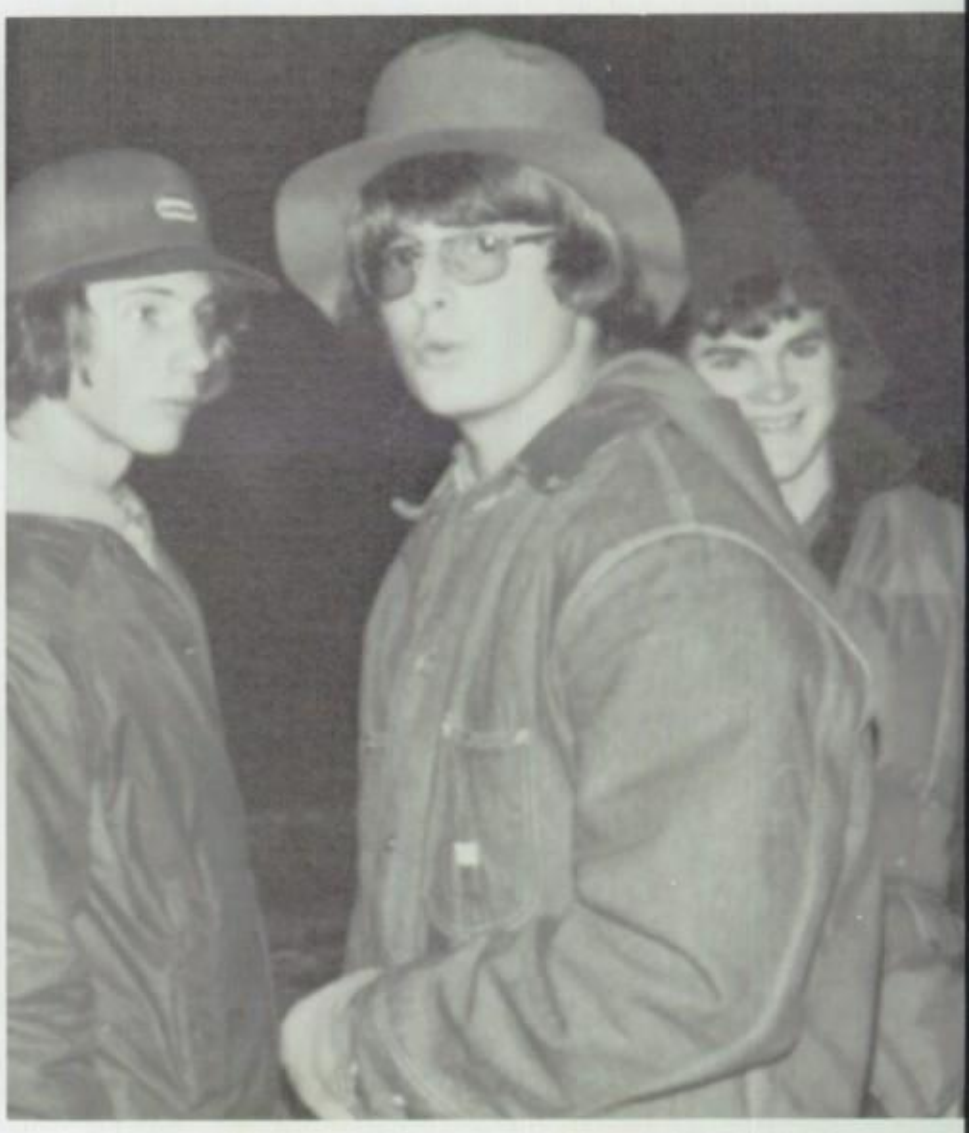
May you always
camp in peaceful
dells

and let friendship
be your goal.

And as the years
overtake your youth
May wisdom also
be your goal.



For as we tread
familiar soil
Our friends we'll
never forget.

But if we pass by
memories —
forever we'll
regret.

So take a little
part of me
And plant it
in your heart
